WELDING &  
FABRICATION  
COMPANY

A welding and fabrication company with  
MIG welding and ARC welding.

➤ Fabrication

➤ Machinery Equipments

➤ Pre Engineered Buildings

➤ Conventional Buildings

## Storage Tanks

We provide full customization on our storage tanks as per the specifications and requirements of the client. All the raw materials are used depending on usage of the tank and also as per client's input. These tanks are corrosion resistant and easily withstand various temperature fluctuations and variations. These tanks have a wide demand in various processing industries because of them being highly qualitative at cost effective prices.

We have a well-connected and huge warehouse that helps us in keeping large stock under suitable conditions. Also, we keep it updated to meet set industry standards. As we believe in client's supremacy, we decide the acceptable payment methods at the time of undertaking the agreement/contract. Moreover, our payment processing methods are secured.

## High Thickness Ducting

## PEB Structures

Winnow provides prefabricated building solutions and services to clients in India. Sahasra is an integrated Design, Engineering and Manufacturing Company based in Hyderabad. With a strong team of in-house engineers and our own production facility, Sahasra works seamlessly deliver turnkey modular, light gauge steel and interior fit out projects from concept to onsite installation. In addition to supplying prefabricated structures buildings.

## Pressure Vessels

High pressure vessels are used in various industries including chemical, process heating, energy, oil and gas, and so on to store fluids at high pressures. These pressure vessels have typical requirements and demand extra efforts and special engineering expertise.

## Structure

We are offering Steel structure Buildings. Steel structure buildings are made in compliance with International and Indian quality standards. These buildings are widely used in various industrial projects, warehouses, garages and many others. Engineered Steel Building is widely acknowledged for its resistance to corrosion & abrasion, ability to withstand adverse weather conditions and easy installation. We provide these buildings in both standard and customized options to meet the requirements of our valued clients for that we are offering Steel Building System.

Our contracting services are mainly related to Ducting. With our remarkable service providing capabilities, we are involved in various duct fabrication and duct erection consignments of some of the renowned market players of the field. We boast of professionally qualified technocrats, and a sound infrastructure for the production of superlative quality air ducts, air conditioning ducts, rectangular ducts, machine fabricated ducts, ventilation ducts, hvac ducts, air cooling ducts, exhaust ducts, and allied products.

## **INTRODUCTION OF OUR FIRM-Reg.**

Dear Sir,

We are pleased to introduce ourselves as

**M/s. WINNOW BUILDING SYSTEMS,**  
PlotNo182/183  
S V CO OPERATIVE SOCIETY, I D A  
JEEDIMETLA HYDERABAD

It is our pleasure to introduce our organization, Winnow Building systems

A welding and fabrication company with MIG welding and ARC welding. We have worked on so many project since many parts of the States. Structural work of different designs, on Mild Steel Quality services and timely delivery is paramount to our services in other to meet our client's desire with our many years of experience and exposure.

We strongly believe that we will handle the work as directed your client without any problem to production sector.

In manufacturing line of all type of Fabrication and Machinery Equipments, Pre Engineered

Buildings (PEB), Conventional Buildings, Ducting's, Hoppers and Structural Members.

Our organization is in the field since 08 years. Our firm is having 1350 Sq. Yards space and one of the most experienced independent system oriented company, technically competent and are capable of supplying Heavy and significantly fabricated Machinery Equipment's. The aim of the company is to give qualitative work in time according to the customers' requirements.

### **ORGANISATIONDATA:**

Total Number of Employees	: 25nos No. of
Employees in Engineer Cadre	: 2persons
No. of Skilled workers	: 15persons
No. of Semi-Skilled workers	: 8persons Our

### **Company is equipped with the following Machinery:**

● 400 amps Welding Rectifiers	- 04No's.
● MIG Welding Machines	- 04No's.
● Radial Drilling Machine	- 01No's.
● Grinding Machines	- 10 No's.

- Magnetic Drill Machines - 04No's
- 10 Tons Capacity Gantry - 01 No.
- 12 T Hydra - 01 No.
- Erection Equipment like Pug, cutting sets, cutting machine, Winch, chain Blocks, Tools & Toggles.

**Our Esteemed Customers for whom we are giving our Services are as follows**

**1. KIRBY BUILDING SYSTEMS INDIAL TD.**

Fabrication of Pre-Engineered Buildings P.E.B includes Columns ,Rafters, Crane beams, Strut tubes, hand rails, stringers etc.

**2. PUZZOLONA MACHINERY FABRICATORS.**

Manufacturing of Stone crushing units includes Belt Conveyors, Gantry's, Dump hopper, Chutesetc.

**3. THERMAL SYSTEMS PVT LTD**

Fabrication of structure's, Ducting, Chutes, Hoppers, Compensators, Expansion Device, pipe bends, Economizer's, etc

**4. UNIQUE BIOTECH-**

Fabrication of Pre-Engineered Buildings P.E.B includes Columns, Rafters, Crane beams, Strut tubes, hand rails, stringers etc.
